Important information

Our AXA Advanced Home Insurance policy is designed to protect you against the risk of things happening suddenly which you could not have expected such as fire, theft, flood and storm. It is not designed to protect you against losses that arise due to the gradual deterioration or poor maintenance of your home.

We want to ensure that you are fully aware of the extent of your cover, and would therefore urge you to read this policy in full along with the policy schedule. We have also taken this opportunity to bring some helpful information to your attention.

This section does not form part of your policy and contains only examples of what is contained in your booklet.

Gradual damage, Deterioration and Wear and tear

Damage caused gradually, by wear and tear or a lack of maintenance is often known as a ‘gradually operating cause’ exclusion in a home insurance policy. This means that you wouldn’t be covered to make a claim for damage that’s caused by one of the above reasons. This includes items which have suffered mechanical or electrical break-down, or which have suffered inevitable failure due to general wear and tear from normal everyday use e.g., if you had a washing machine that had stopped working due to general wear and tear, you wouldn’t be able to claim for this. Items still under warranty may be covered for repair or replacement by the manufacturer or warranty insurer.

AXA, along with most other insurers require homeowners to keep their property well maintained and won’t cover you for the cost of routine maintenance of your home or possessions, or damage that happens gradually over a period of time or by wear and tear, which may only be highlighted or made worse by weather events.

Collision

If someone crashes into your wall or your house make sure you record their name, address, vehicle registration and contact details. We will need this information to help us try to recover your excess.

Subsidence

Damage caused by subsidence is the result of ground movement affecting your property. The most common signs of this are diagonal cracks away from door and window frames. New properties will often move for reasons other than subsidence and this natural settlement is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that you tell us as soon as possible if you think your home may be affected.

Escape of water

Your cover for escape of water is designed to cover damage to your property caused by water leaks.

It’s always a good idea to get your boiler checked and/or serviced by a Gas Safe/Oftec/Hetas certified engineer, depending on your heating system, in plenty of time for winter. This will help prevent boiler failure which could leave you with no heating and/or hot water.

One of the biggest risks of water damage occurs when you are away during the winter where pipes can freeze and burst causing large amounts of damage. It is important that you take steps to avoid this by keeping your central heating on low so your pipes do not freeze over. If you want to turn your heating off then you should drain your central heating system and switch off the water at the mains.

Please be aware that cover for escape of water ceases after the home has been unoccupied for more than 60 days.

Important information

In addition, damage can occur due to water leaks caused when the sealant or grout around your bath or shower has worn away or failed.

Pipes often burst because they have worn out; if this happens you should turn off the main stop tap and contact a plumber. We will be able to pay for the damage the water has caused but not to repair the pipe itself.

Fires

A large percentage of fires start in the kitchen, and are caused by faulty electrical appliances or unattended cooking pans and equipment – particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Always purchase electrical goods from a reputable supplier as branded goods sold via untraceable Internet suppliers at much reduced prices may be counterfeit and/or may not be fitted with the appropriate safeguards against the risk of fire.

Please ensure you bear these risks in mind and take adequate precautions to protect yourself and your family.

Smoke alarms save many lives and significant damage every year. Please ensure that you have them fitted and check them regularly.

Fire risks associated with the lithium-ion batteries used in electric bikes and scooters are increasing as usage of these means of transport become more popular. Lithium-ion batteries pose a significant fire risk when damaged, overcharged or exposed to extreme temperatures,

Never:

- leave batteries unattended when they are charging, or overnight when you are sleeping in the property.

Always:

- charge them on a hard surface and make sure they don't overheat.

- unplug or disconnect from the battery once charging is complete.
- try to store them away from main living areas. Follow manufacturer's guidance for replacement, repairs or disposal.

Floods

If water has or is expected to enter your property you should secure your home and move your valuables and essentials to an elevated place or upper floor. You should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If you know that you live in an area which is prone to flooding, there are additional steps you can take to protect your home and we would recommend contacting your local Environment Agency for further advice or call Floodline on 0345 988 1188.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. If this happens they will not be covered by your policy but there are more specific insurance policies available to protect you against this risk.

Storms

If you've looked after your home, then we would only expect to see damage caused by a period(s) of violent weather. Normal weather conditions should not cause damage to a well maintained property and damage of this nature is not covered by this policy. It is therefore important that you keep your property in a good state of repair. Areas that you should focus on include blocked or broken gutters or down-pipes, and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect so if you cannot check them yourself you should use a relevant building expert to do this for you.

Important information

Thefts

Many thefts are committed by so called ‘opportunist’ criminals. Your property is significantly more likely to be burgled if accessible entrances are not locked and secured. Your policy may carry an endorsement about the security you have in place to prevent thefts. This usually requires you to have certain types of door and window locks. Make sure you check your schedule to ensure you have the right protection in place. If you fail to meet these requirements we may impose a higher excess for theft claims.

If you are going away do what you can to make your house appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries and use timers on lights if you have them.

Garages and sheds are attractive to criminals as they are easier to break in to and often contain valuable items such as tools or golf clubs. Locking these is another important step to minimising the risk of a theft.

You should also take particular care of items such as laptops and MP3 players or ipods. Cover is limited for items while left unattended anywhere outside of the home, left unattended in a vehicle or craft or left unattended in a hotel room. Please refer to the Contents section for further details.

We/us/our

AXA Insurance UK plc.

You/your

The person or people named in your schedule as the policyholder(s).

General conditions

These conditions apply throughout your **policy**.

You and your **family** must comply with them to have the full protection of your **policy**.

If you or your **family** do not comply with them we may take one or more of the following actions:

- cancel your **policy**
- declare your **policy** void (treating your **policy** as if it never existed)
- change the premium and/or terms of your **policy**
- refuse to deal with all or part of any relevant claim or reduce the amount of any relevant claim payment.

1 Providing accurate and complete information

When taking out, renewing or making changes to this **policy**, you or your agent (acting on your behalf) must take reasonable care to provide accurate and complete answers to all questions.

We may ask you to provide further information and/or documentation to ensure that the information you provided when taking out, making changes to or renewing your **policy** was accurate and complete.

2 Changes in your circumstances

You must tell us as soon as reasonably possible if your circumstances change or if any of the information shown in your proposal form, statement of fact or schedule changes during the period of insurance.

Examples of changes we must be made aware of are:

- change of address
- structural alterations to your **home**
- if you or your **family** intend to let or sublet your **home**
- if you or your **family** intend to use your **home** for any reason other than private residential purposes
- if your **home** will be **unoccupied**

- if your **home** is no longer occupied solely by you or your **family**
- if you or your **family** have been declared bankrupt or been subject to bankruptcy proceedings
- if you or your **family** have received a police caution for or been convicted of or charged with any offence other than driving offences.

We will then tell you if there will be any change to your insurance premium and/or any change in the terms to your **policy**.

You must ensure that you provide accurate and complete information when asked questions about the changes in your circumstances.

3 Maximum limits

The value of your **contents**.

You must notify us as soon as possible if the full replacement value of your **contents** exceeds the amount shown in your schedule.

If the amount shown on your schedule represents less than 100% of the full replacement value of your **contents**, we will settle the claim based on the proportion of the premium you paid compared to what you would have paid had you insured your **contents** at the correct amount.

For example, you chose a **contents** sum insured of £50,000 and paid a premium of £200.

The correct **contents** sum insured should be £60,000, and you should have paid a premium £250.

As you only paid 80% of the true premium, we will only pay 80% of the claim.

The full replacement value of your **contents** other than **fine art, antiques and collectables** means the current cost as new. For **fine art, antiques and collectables** the full replacement value means the cost you paid or current market value whichever is the greater.

If the full replacement value of your **contents** exceeds the amount shown in your schedule, the cover under the **policy** will no longer meet your needs.

4 Taking care of your property

You and your **family** must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to safeguard all the property insured from loss or damage.

You must maintain the **buildings** and **contents** in good repair.

5 Dual insurance

If any loss, damage or liability under 'Personal liability' or 'Property owner's liability' is covered by any other insurance we will not make any payment. If any other injury, loss, damage or liability is covered by any other insurance then we will not pay more than our share.

6 Cancelling the policy

If you are paying by instalments, your instalments will end and if you incur eligible claims you will either have to continue with the instalment until the **policy** renewal date, or we may at our discretion take the outstanding instalments you still owe from any claim payment we make if you pay annually and you have received payment for or are in the process of making a claim you will not receive any refund of premium.

If we are collecting the instalment payments and we are unable to collect a payment that is due, we will contact you and use reasonable endeavours to collect the outstanding payment(s) before exercising our right to cancel the **policy**.

What you must do when making your claim

- Provide us with full details in writing as soon as possible if someone is holding you or your **family** responsible for damage to their property or bodily injury to them. You must also send us any writ summons, letter of claim or other document as soon as possible.
- If we ask, you must send us written details of your claim within 30 days.
- If we ask you must allow us, an approved supplier or a loss adjuster access to inspect the damage to your **buildings** or **contents**.
- To help assist in dealing with your claim we may require you to obtain estimates for the replacement or repair of damaged property.
- We will only ask for information relevant to your claim and we will pay for any reasonable expenses you incur in providing us with the above information as part of your claim.

- To help prove your claim we may require you to provide documentation as detailed in 'Proof of your claim and its value' below.

Proof of your claim and its value

It is your responsibility to prove any claim. To help prove your claim we may require you to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, proof of authenticity, utility bills, pre-purchase surveys, plans and deeds of your property or other documents we may reasonably require.

What you must not do

- Admit or deny any claim made by a third party against you or your **family** or make any agreement with them.
- Abandon any property for us to deal with.
- Dispose of damaged items as we may need to see them.

What we are entitled to do

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in your name for our benefit against any other party. We are entitled to take possession of the property insured and deal with any salvage. We may also pursue any claim to recover any amount due from a third party in the name of anyone claiming cover under this **policy**.

We are entitled to communicate with you about your claim. This includes situations where you have decided to use a professional customer representative, such as a loss assessor or claims management company, to act on your behalf.

We will only do this if there is a situation where it is necessary (for example where we are struggling to get instructions from your representative or where we think there may be a conflict of interest).

We are entitled to assess your claim based on our, an approved supplier's or loss adjuster's view and interpretation, even in situations where you have appointed a professional representative, such as a loss assessor or claims management company, to act on your behalf.

Fraud

You and your **family** must not act in a fraudulent way.

If you or anyone acting for you:

- knowingly makes a fraudulent or exaggerated claim under the **policy** or
- knowingly makes a false statement in support of a claim or
- submits a knowingly false or forged document in support of a claim or
- makes a claim for any loss or damage caused by your wilful act or caused with your agreement knowledge or collusion.

Then:

- we may make your **policy** void from the date of the fraudulent act
- we will not pay any fraudulent claims
- we will be entitled to recover from you the amount of any fraudulent claim already paid under the **policy** since the start date
- we may not return any premium paid by you for the **policy**
- we may inform the police of the circumstances.

How we settle claims

We may repair, reinstate or replace the damaged property. If we cannot replace or repair the property we may pay you for the loss or damage in cash or cash alternative (including vouchers and/or store cards).

Where we can offer repair or replacement through a preferred supplier, but we agree to pay you a cash or cash alternative settlement, then payment will not exceed the amount we would have paid the preferred supplier.

The sums insured that apply to your **policy** will not be reduced by any claim.

If no equivalent replacement is available then we will pay you the full replacement cost of the item with no discount applied. The sums insured will not be reduced by any claim.

We may appoint an approved supplier to act on our behalf to validate your claim. They are authorised to arrange a quotation, a repair or a replacement.

Any permanent repairs made by our approved suppliers are guaranteed.

Contents

We will settle claims for loss or damage to items which are beyond economic repair on the basis of cost as new, subject to the **excess** as long as:

- the **contents** have been maintained in good repair and
- the sum insured for **contents** shown in your schedule is sufficient to cover the full value of your **contents**.

For **contents** (excluding **fine art, antiques and collectables**) the full value means the current cost to replace the items as new.

For **fine art, antiques and collectables** the full value means the cost you paid or the current market value whichever is greater.

Buildings

We will settle claims for the loss or damage to the **buildings** without deduction, subject to the **excess** as long as:

- the **buildings** are maintained in good repair and
- the repair or reinstatement is carried out.

If it is not possible to repair or rebuild the damage to the **buildings**, or it is uneconomical to do so, we will at our option pay the difference between the value of selling your property on the open market immediately before the damage and its value after the damage. If it is possible to repair the **building** but you ask us to settle the claim using cash or cash alternative, and we agree to do so, we will pay for the decrease in market value of your **buildings** due to the damage but not more than it would have cost us to repair the damage to your **buildings**.

Matching sets, suites and floor coverings

We treat any individual items of a matching set or suite of furniture, sanitary ware or other bathroom fittings as a single item. We will pay you for individual damaged items but not for undamaged companion pieces.

If the individual damaged items cannot be repaired or a replacement found we will also pay up to 50% towards the undamaged part of the set or suite of furniture, sanitary ware or bathroom fittings.

If a floor covering is damaged beyond repair we will only pay to have the damaged floor covering replaced. We will not pay for undamaged floor covering in adjoining rooms.

Storm damage claims

The definition of what we mean by **storm** can be found in the ‘Meanings of defined terms’ section on pages 7-10.

When we assess your claim, we will not rely solely on the definition of **storm** as this is just one factor we consider when you have this kind of damage to your **home**.

Other factors we consider are as follows:

- Does the evidence show that **storm** conditions occurred on or around the date the damage is said to have happened.
- Is the damage claimed for consistent with the damage caused by **storm** damage.
- Were **storm** conditions the main cause of the damage or were other factors involved. For example, we look if the damage would have occurred without the **storm**. This insurance **policy** is not designed to cover you for any gradual deterioration, wear and tear or loss or damage resulting from inadequate maintenance. Please see the general exclusions and conditions section of this **policy** for more information.

We will always talk to you about what damage you have as well as look at the weather conditions in the area.

Where we obtain local weather reports, we will take into account the distance of any weather stations from your **home** before making a decision.

In order to help assess your claim, we will also send a claims expert to your **home** if necessary.

Inflation protection

To help protect you against the effect of inflation we will review and amend where necessary the sum insured for **contents** at the end of each month by the percentage change in the Consumer Durables section of the Retail Price Index issued by the office for National Statistics.

If the above index becomes unavailable we will use another suitable alternative index.

We will not reduce the **contents** sum insured if an index falls.

No extra charge will be made for any increase until the renewal of your **policy**. The renewal premium will be based on the revised sum insured.

*Although you have the benefit of inflation protection you should not rely on this alone to ensure the **contents** sums insured is adequate.*

*The value of your **contents** may be growing faster than inflation perhaps because of items you have bought or been given.*
